Information for Children

Entrance Exam for Entry into Year 7

This is the Familiarisation Guide for the Future Stories Community Enterprise (FSCE) Entrance Exam for entry into Year 7. It is designed to help children, their parents and teachers understand the format of our exam papers and their corresponding answer sheets.

FSCE's aim is to make Grammar School examining more accessible for all children: regardless of their background, their primary school, or any disability.

The first section contains some background information for children, the second section explains what the exam paper is like, the third section gives some sample questions. There is a separate Familiarisation Guide for Parents.

We recommend that you print pages 1 to 24 of this guide, read it through carefully and practise the sample questions on the answer sheets. If you do not have access to a printer, please contact the School who will be happy to print off for you.

**This guide is the only genuine resource produced for the FSCE Ltd Entrance Exam
There is no charge for this Familiarisation Guide**
